

"Quaker children and their families enrich the work and spirit of our school...they keep the divine spark glowing and brightening".

Want to see more Quaker children in Friends schools? We do too!

National Endowment *for* Quaker Children

A national scholarship fund to support Quaker children in Friends Council member schools across the country

OUR VISION FOR IMPACT:

- To enhance the Quaker character of Friends schools by increasing the presence of Quaker families and students
- To provide a scholarship amount that is a positive financial tipping point for Quaker families who want a Friends education for their children
- To extend the reach of the Religious Society of Friends through increased enrollment of Quaker children
